

Strengths Based Development

Strengths based development rests on the premise that every individual has a strength. The key is to discover these individual strengths and build upon these strengths to enjoy consistent, near perfect performance.

Maximize 'I' through Discovery and Application of Strengths

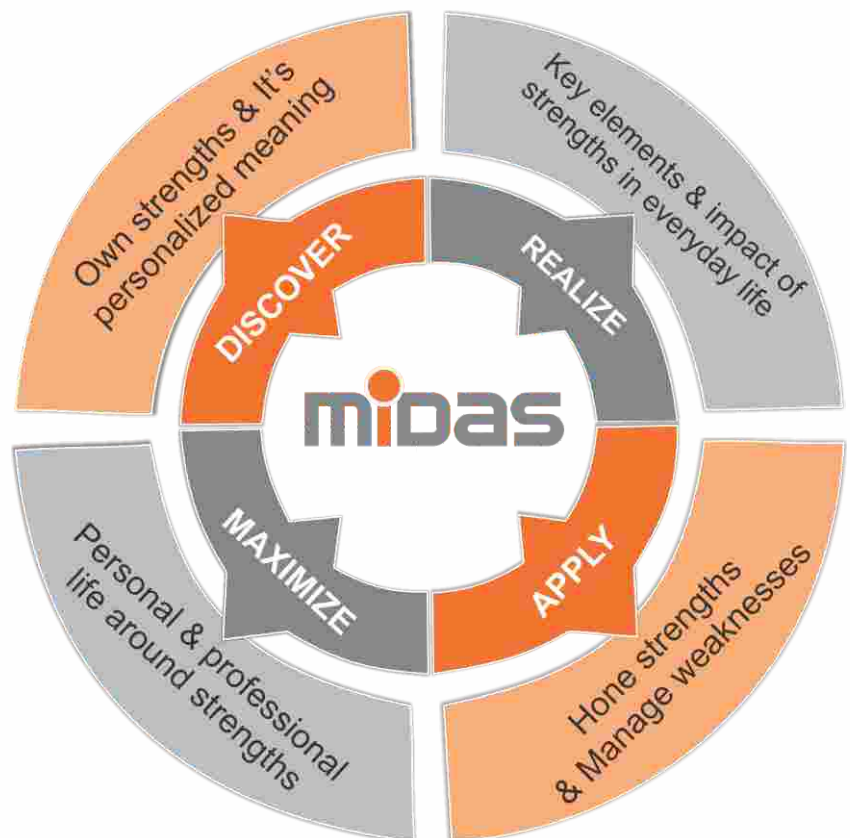

The goal is to focus on "WHAT'S RIGHT WITH PEOPLE" than "what's wrong with people."

A tailor-made Strengths-based development intervention designed by NAMAN

Discovers individual's talent(s) using Clifton StrengthsFinder2.0 by Gallup®

Leverages strengths to enhance individual, manager & team effectiveness

Driven by Gallup® Certified Strengths Coaches
